30 page spreadsheet from Larry needs to be broken down into easier-to-read categories.

## **Summer Steamer (Heather):**

Heather would like to open up the debate on keeping or killing this race to club members before making a final decision. We received some finance numbers, but aren't sure of their accuracy. We still have to make our donation.

145% registration up over last year

## **Thursday Night Run (Scott):**

Nicole has taken over coordinating volunteers. Halloween run is 10/27. Pumpkin Cook-off is 11/3.

## **Bur-run (Gordon via Heather):**

Anniversary Run is 9/26. IT Band and Adidas Promo? Halloween "Boo Run" is 10/31

## **Winter Challenge (Scott & Deb):**

Need to get snowglobes. Increase budget over last year since was so popular?

## **Lake Winnie (Joe):**
