

SRR Board Meeting – June 4, 2012

Volunteer Activities (Urvi):

26x1- good

24 hrs - more volunteers

Baa 10k - more volunteers

Merchandise Update (Bradley):

\$748 sold

\$1948 spent

Looking for short sleeve tech shirts

Yellow and gold are not the same thing. Singlets? Do we order more?

- order a few more small ladies sizes?

- or hold off

We decided to move forward with that order and continue to research

Tech tshirts - yellow

Welcome Wagon (Paul via Kate):

Dumbed down version of the business card. \$25 for 200. Need to confirm date of origin.

Reach out and say hello to new people. Sox game - July 18th. A few people didn't get the newsletter. Salsa dancing - Ruthanne will be getting it set up as we're ready

26 x 1 (Brendan):

6 teams officially registered. 2 brand new teams are joining us this year, Community Running & Tri-Valley Frontrunners - <http://www.tri-valleyfrontrunners.com/> (out of central MA). along with Greater Framingham, Greater Lowell, 2 teams from CRC.

An entire 50+ SRR squad is coming together, and over 60 SRR members are ready to be assigned teams. Should be 3 (outside shot of 4) SRR squads. when all is said and done. I'd like to start assigning teams so people know who they are running with, but think we need another push so we ensure a.) everyone who wants to do it lets me know and b.) anyone that all of a sudden has a conflict has told me they are out.

Shamrocks are clawing to try and put one together, and BOMF is in but hasn't submitted their team yet.

Gear drive is referenced in the confirmation email when people join teams, but no specifics are out. I emailed Phil from BOMF about that - which I may have copied you on - but haven't heard back.

Post race at the Pub.

24-Hour Relay (Noel):

Registration is up compared to last year. It looks like we will sell out the Marathon and 12-Hour races soon with the 24-Hour not far behind. There are several SRR individuals signed up but as yet no SRR teams. Non-club teams have won for the past two years..... Urvi will be managing our volunteer effort (thanks for hooking us up). We have secured the services of members of the New England Sports Medicine Council led by Dr. Karson Mui to staff a medical tent for the duration of the event. This is a first for the race and is long overdue. Dr. Mui also offered to organize an injury prevention clinic at some point if the club is interested. Let me know if you would like me to follow up.

Long Runs (Bill Hees)

Nothing special going on. Herbert has volunteered his house for a long run.

Thursday Night Run (Scott):

Need to set up date for special run / cook off

Bur-run (Gordon):

Nothing new going on, lots of new people. Updated course, Fast splits clinic after the bur-run?

Other Races - Mom's Run (Gordon):

Thanks to the club, the parking lot at the burren worked for the post party
