

SRR Board Meeting – Oct. 1, 2012

Volunteer Activities (Urvi):

We had 19 volunteers show up for the Tufts Jumbo 5K. We have 10 volunteers for the Somerville Homeless Coalition 5K. We have 18 volunteers for the BAA Half. We have 3 volunteers for the Tufts Health 10K. Still pushing hard for Gobble volunteers (which is done online).

Merchandise Update (Bradley):

\$284 sold in September. Tech shirts arriving on Wed – we'll have 144 in supply.

Gobble x3 (Bill Bryant)

725 entrants so far, 120% above last year at this point. The DPW charged us \$2100 last year for unknown reason. Bill will research and see if we will be charged that again this year. Chips and bibs are done. We will have a new Gobble committee (Kate O, Paul G and Scott A), which will meet around Nov. 1. We could use more help on the Wed before the race at 1:00pm, to be done by 8:00pm. Need more general volunteers.

Long Runs (Bill Hees)

Ray C. is hosting a run around the Mystic Lakes on October 13.

Bur-run (Gordon via Kate)

The Boo-Run is October 29. 60 people signed up or renewed their membership on Citizenship Day.

Thursday Night Run (Scott):

Bradley Harris is taking over recording and posting of results. Alison Lackey is taking over the social events and special runs.

Mill Cities (Kate):

It's the first Sunday of December. Brendan will offer to put teams together. There's concern he might not know many of the new fastest runners and might need some help.

SRR Winter Grand Prix (Kate):

The first race will be the Winter Classic. The second race will be the Super 5K. Scoring will be different this year. And there won't be multiple races or distances on the same day this year.
